

Open Evenings/ Open Days at the Local Colleges 2018/19

Time to plan your visits to colleges, so that you can make the right decision when you make your college applications. Please make a note of the open days/ evenings below. Also: Log on to their website and see if you need to register, or book in order to attend. Double check the dates before you go, as they could change.

If the college you wish to go to is not listed, please visit their website. It is very important that you take the time to visit several colleges so you can make an informed choice about the best path for you. Please go along with a parent / guardian – the colleges do not expect to see groups of young people arriving together and will not allow you access.
