

Approved websites

This list contains the website addresses that we recommend for a number of our GCSE courses. There will be times when you may not be receiving homework as you will be undertaking controlled assessment preparation in school which cannot be brought home. During these periods, you can use the websites below to supplement your studies in school. These will also be useful for revision purposes during periods of examinations.

Subject	Website	Username	Password
Maths	www.mymaths.co.uk	Passwords issued to pupils
