

27th June 2018

Dear Parents and Carers of current Year 7 and KS 2 Primary School Children

TUESDAY 10 JULY

7- 8.00 pm in the Paragon : How to be your child's first science teacher

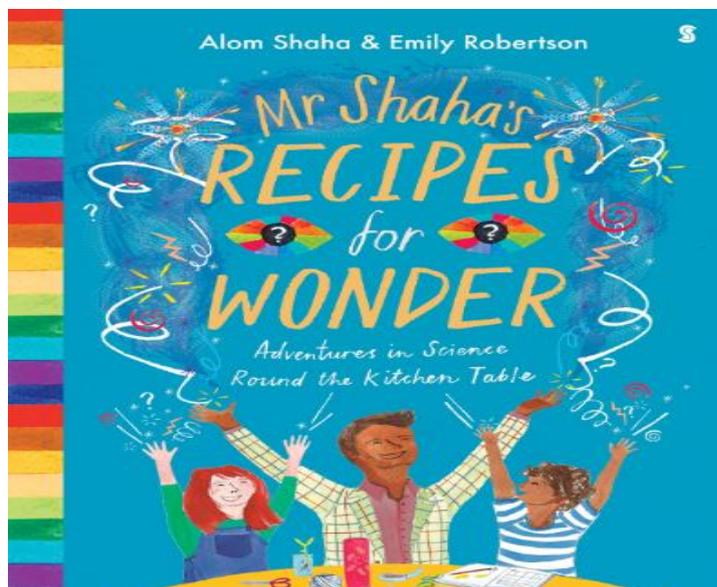

We have the pleasure of hosting a talk by Alom Shaha on Tuesday, 10th July 2018 at Prestwich Arts College, **if you wish to attend after reading this letter, please click [here](#).**

Alom is Science teacher and dad, who has spent most of his professional life trying to share his passion for science and education with the public. Alom was born in Bangladesh but grew up in London. He has produced, directed, and appeared in a number of television programmes for broadcasters such as the BBC, and has held fellowships from the National Endowment for Science, Technology, and the Arts (NESTA) and the Nuffield Foundation. Alom has represented his community as an elected politician and has volunteered at a range of charitable organisations. He teaches at two comprehensive schools and writes for a number of print and online publications.

Alom is currently doing selected tours around England following the release of his new book, which is all about engaging Parents as their child's first teacher. Doing hands-on activities with children is the best way to get them exploring the world around them and thinking like future scientists and engineers. However, many parents lack confidence in doing science with their children, compared with reading, writing or drawing.

Teacher and author of 'Mr Shaha's Recipes for Wonder', Alom Shaha will show how every child can be a scientist, even if parents don't have all the answers!

We want to make this a relaxing and enjoyable session, it is your opportunity to find out more about engaging with your youngsters and supporting the work we do in schools too.

If you are interested in attending the talk, please visit our school website and follow the link at the top page, which says the “Wonders of Science”, this will take you to a copy of this letter, where there will be a link to register your name and the number of people who you wish to attend. Please would you make sure that you register for this event by Monday 2nd July 2018. Thank you.

Please note this event is free of charge and places will be allocated on a first come first served basis. Signed copies of the book will also be available to purchase on the evening.

If anyone has any queries, please do not hesitate to contact us.

We look forward to seeing you there.

Miss R Evans

Headteacher

Head Teacher: Miss R Evans BA (Hons) NPQH

Deputy Head Teachers : Ms N Smith BA (Hons) NPQH and Mr D Wright BA (Hons) NPQH
